The Industry of Bangladesh has the Key position in the export sector. Keeping in mind the potential of this sector and to further boost the exports, CEMS has been organizing the Texttech since 9 years now as there is a need for such exhibition which displays the latest technology that our country can obtain to update with the quality of the competitors in the world Market.

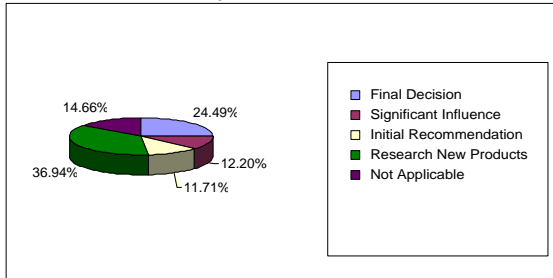

With the ever increasing competition in the world market, the Industries of Bangladesh can expand their share in the market abroad and at the same time could attract more foreign investment in our highly potential Industry, specially the Garment & Textile Industry.

Over 325 Exhibitors from over 15 countries participated. These 3 exhibitions in one go were targeted to the entire Textile & Garment sector of Bangladesh and played an important role by assembling Worldwide Machinery, Yarn & Fabric and Dyes & Chemicals manufacturers at the doorsteps of the Industry of Bangladesh under one roof to appraise them of the latest developments and technology available for them. SRTEPC – The Synthetic & Rayon Textiles Export Promotion Council of India endorsed the 2nd Dhaka International Yarn & Fabric Show 2008 while CHEMEXCIL – Basic Chemicals, Pharmaceuticals & Cosmetics Export Promotion Council of India endorsed the `2nd Dye+Chem Bangladesh 2008 Expo'. Their member companies also participated.
