GARMENT & TEXTILE WORLD OF INDONESIA

**Post Show Report**

**Textech Indonesia 2011 International Expo**

**(Serving the Textile & Apparel sector of Indonesia - Indonesias' biggest & oldest International Exhibition on Textile Garment Technology, Machinery & Related Services)**

CEMS-Global USA, a Multinational Exhibition Organizer, in association with 'Kristamedia Exhibitions – Indonesia' have organized the 'Textech Indonesia 2011 International Expo' – An International Exhibition on Textile Garment Technology & Machinery, at Jl Expo focused to the entire Textile and Garment sector of Indonesia, along with CEMS-Global's concurrent exhibitions - '8th Dye+Chem Indonesia 2011 Int'l Expo' – An Int'l Exhibition on Dyes and Fine & Specialty Chemicals and 'Jakarta Int'l Yarn & Fabric Show 2011', from 12 to 15 May 2011 at Jl Expo Kemayoran, Jakarta – Indonesia.

The 'Textech, DyeChem and Yarn & Fabric Series of Exhibitions' are CEMS-Global's International series of Exhibitions which are held in the same name in Sri Lanka, Bangladesh and Indonesia.

The '8th Dye+Chem Indonesia 2011 Int'l Expo' was targeted not only to the Textile & Apparel sector but also to the entire Manufacturing sector of Indonesia. Official Government Export Promotion Delegations from China and companies from other countries were participating in the Exhibition, who had come to Indonesia for the first time to explore the market and develop new trade ties and expand their business in Indonesia.

The Textile & Apparel Industry of South-East Asia specially Indonesia has the key position in the export sector. Keeping in mind the potential of this sector and to further boost the exports, CEMS-Global has been organizing the Textech series of Exhibitions since 12 years and brought this International branded exhibition to Indonesia in association with 'Kristamedia Exhibitions – Indonesia' as there always a need for such exhibition in Indonesia which displays the latest technology that the country can obtain to update with the quality of the competitors in the world Market.

With the ever increasing competition in the world market, the Industries of Indonesia can expand their share in the market abroad and at the same time could attract more foreign investment in the highly potential Industry, specially the Garment & Textile Industry.

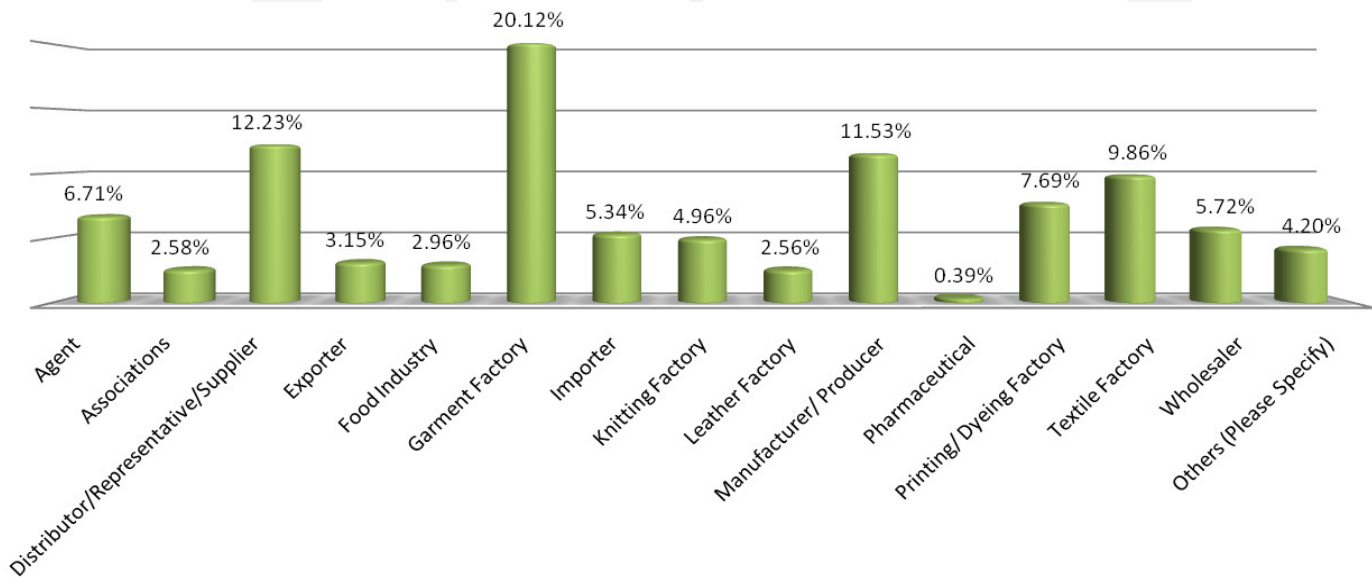

Exhibitors from over 10 countries were participated in these Exhibitions. These 3 exhibitions in one go targeted to the entire business community will play an important role by assembling Worldwide Technology, Machinery and Material manufacturers at the doorsteps of the Manufacturers of Indonesia under one roof to appraise them of the latest developments and technology available enabling Indonesia to further compete in the World market.
